New Fujifilm Imaging Product Service Guarantee Certificate

To better serve our customers with the most comprehensive world-wide guarantee service and technical support, Fuji Photo Products Company Ltd announced a new version of “Fujifilm Imaging Product Service Guarantee Certificate” has been released.

Registration of Guarantee Certificate

A “Fujifilm Imaging Product Service Guarantee Certificate” issued by Fuji Photo Products Company Limited has been attached once customer bought any Fujifilm imaging product imported by our Company. To ensure that one year world-wide guarantee service can be offered, customers should fill in all the necessary information required and return third part of the Guarantee Certificate to our Company for registration as soon as possible.

Characteristics of Valid Guarantee Certificate

Each guarantee certificate comprises three parts, they are authorized dealers’ copy, customers’ copy and distributor copy respectively. Our Company logo and name will be printed in green color on top of the left corner in each part while the name of respective owners’ copy will be printed in dark color on top of the right corner in each part. Model and serial number will also be printed on all three parts. Most importantly, the guarantee certificate can be valid only with official company chop from authorized dealer.

Effective Date of Guarantee Certificate

One year free guarantee will be offered to customers upon the date of purchase of any Fujifilm imaging products. Since the free guarantee period will be determined according to the date of purchase marked on the official purchase receipt, the guarantee certificate and official purchase receipt should be kept and presented together once the product needed to be repaired. Meanwhile, the old version guarantee certificate will also be valid and enjoy the same privileges as the new version, free guarantee period will be offered according to the date of purchase marked on the official purchase receipt as well. For terms and conditions, please refer to the back side of each guarantee certificate.

World-wide Guarantee Service

With the “Fujifilm Imaging Product Service Guarantee Certificate” issued by our Company, customer can enjoy one year world-wide free guarantee service all over the world. Wherever the customer stays, just present our valid Company’s guarantee certificate together with the official purchase receipt to any Fujifilm Repair Service Centre around the world, free guarantee service can be offered. In additions, guarantee certificate owner can enjoy 15% discount on parts replacement and priority in product inspection even the one year free guarantee service has been expired.
